A WELL-ARRANGED TRUST.

When the history of achievements of American life insurance is properly written, it must credit the "National" with having recognized the indispensable need of some device through which the benefits accruing to widows, orphans, and estates could be properly reinvested with the life company in the form of a well-arranged trust. The "National" copyrighted nearly a dozen years ago arrangement by which the installment payment of proceeds could be applied to insurance for any age, kind or amount, with compound interest, profit to insurance beneficiary. 50th year, doing business in 43 states.

DEATHS IN MARSHFIELD.

P. G. Bemis and Mrs. George O. Davis Leave Many Friends.

Marshfield, Nov. 29.—P. G. Bemis, only son of Mr. and Mrs. Samuel Bemis of this town, died Monday evening at about 9 o'clock, after a brief illness of only seven days with typhoid pneumonia. He was not considered dangerously ill until Monday morning, but from that time until his death suffered untold agonies. He leaves a wife and one child, a little daughter of six years, besides an aged father and mother. "Phiney" was a good and honest citizen, always cheerful and kind, and a man to be missed among men. His family have the sympathy of the entire community. He was born in this town and has resided here ever since, except a short time spent in the West, several years ago. The funeral was held at the Union church today at 1 o'clock, under Masonic honors. Burial in the town cemetery.

Mrs. George O. Davis passed to rest quickly and quietly yesterday morning about 8 o'clock, after about two weeks of suffering from a complication of diseases and heart troubles. For a few

days Mrs. Davis was quiet comfortable, but the end had been expected hourly. She leaves an aged husband and two sons, Albi T. and Mark A. Davis. All were with her at the time of her death. They have the heartfelt sympathy of a host of friends. The church loses a worthy and faithful member in Mrs. Davis, who was always in her place at both the service and Sunday school. Much might be said to her credit, but all who knew here held her in high esteem.

A Youthful Forger.

A forger perpetrated in West Burke November 4 has now been detected. A boy seventeen or eighteen years old went to Mrs. George Powers November 4. He told her his mother was dead in Barre and he wanted to go home to the funeral and wanted to get a mileage book; that he had been working for Rob Thayer for three months and Thayer would pay for it. She did not know the boy and refused. He then asked if she would let him have it if he got an order of Thayer. This she readily agreed to do. He returned later with an order purporting to be from Thayer, saying he would pay for it Tuesday, November 17. As Thayer had not been near Mrs. Powers dropped him a line. He had never heard of the boy and never had given such an order. The boy gave his name as George H. Harris of Barre.
